The City of Tel Aviv - Special Partner

Tel Aviv has evolved into one of the world's leading hubs for technology and innovation. Home to some of the world's leading academic programs in innovation, engineering and technology-related fields, the Startup City of the Startup Nation provides companies, investors and global enterprises with a multitude of talent, developed infrastructure and business opportunities.

Tel Aviv is cultivating a thriving, accessible, and creative startup ecosystem, unparalleled in its innovation, creativity, synergy, young, and brilliant city. Venture capital, seed funds and accelerators, co-working spaces, talent, free Wi-Fi, the Start Tel Aviv competition, global events, major international hi-tech and budding startups, leading research and academic institutions - it's no wonder Tel Aviv was ranked one of the two most innovative cities in the world by the Wall Street Journal, and one of the top three tourist destinations by Lonely Planet. Tel Aviv is taking a quantum leap, promoting entrepreneurs, hi-tech and startups, on the backdrop of a cutting-edge art scene, beautiful beaches, outdoor cafes, urban grit, and a thriving culinary scene. All this makes Tel Aviv not just a global business center, but also, the ultimate nonstop city.

The Festival

September 16-19, 2019

DLD★ Tel Aviv Innovation Festival will celebrate Tel Aviv as a City of Innovation. The Festival will have areas open to the public, and will bring together key level figures from all fields - digital, financial, computing, telecom and more.

DLD★ Tel Aviv Innovation Festival will include over 100 co-events and conferences plus cultural and social events by industry leaders, including **DLD★ Tel Aviv Digital Conference**, Cities Summit Tel Aviv and many many more.

The Conference

September 18-19, 2019

DLD★ Tel Aviv Digital Conference, by invitation only, will bridge the existing international community to Tel Aviv based digital and business elite as well as creative minds and makers.

DLD★ Tel Aviv Digital Conference will become an active hub for exhibiting business opportunities, joint ventures and exchanging ideas. Developers, start-up companies and unique thinkers will all be invited to take part.
